Trash Service information for the City of Springtown

TRASH CART SERVICE

All of your household trash and yard waste can be placed in your trash cart. Important: All of your trash must fit inside your cart with the lid completely closed. Since the driver never leaves the vehicle, no trash will be collected if it is on top of, or beside the carts.

The following items WILL NOT be accepted on the regular trash route: Antifreeze, Batteries, Garden Chemicals, Gasoline, Hazardous Waste, Pool Chemicals, Wet Paint, and Tires.

Please set trash carts out every **TUESDAY**

by 7 A.M. at least 3 feet away from stationary objects such as cars, mailboxes, fences, gas meters, etc. Leave the cart with handle facing your house so that when the cart is lifted, the lid opens toward the street.

HOLIDAY SCHEDULE

IESI observes the following holidays: Thanksgiving, Christmas Day and New Year's Day, When a holiday occurs, trash service will be delayed by one day.

Bulk Waste

Need help disposing of large items that will not fit in your trash cart?

IESI will collect bulk waste on the last Wednesday of each month. Call 817-220-4834 or go to CityofSpringtown.com for details and to schedule pick ups. Pick ups must be scheduled by the close of business the Monday prior to the last Wednesday of the month.

What if I have more garbage than the average household? We encourage you to try your cart for a few weeks before ordering a second cart. We think you will be surprised at how much it holds. If you should decide that you require more than one cart, you may call the Utility Billing Department at 817-220-4834 to order a second cart. You will be charged a nominal fee for each additional cart.

Bulk items can include furniture, appliances (refrigerators must have certificate verifying that all Freon has been removed), extra trash and yard waste.
